

# Lunch with Nature Series

## Summer 2014 Schedule

### **Paynetown State Recreation Area on Monroe Lake** **Programs meet at the Activity Center (next to Beach)**

**Bring a sack lunch to enjoy** during the main presentation. Afterwards, there will be a short walk/hike that highlights the topic.

Each program will last approximately **90 minutes**.

Due to indoor space restrictions, **these programs are limited to 12 people** (separate registration is required for each program). **Advance registration is required** to [lvance@dnr.IN.gov](mailto:lvance@dnr.IN.gov) (or 812-837-9967) with your name, phone, email, and number of people in group. *Registration deadlines for each program are listed below.*

#### **Wildflower Folklore: Tue, May 27 at 11a** **(Register by May 23)**

We'll discuss stories and tidbits behind the names and histories of some Indiana wildflowers. The hike afterwards will look for wildflower plants in bloom.

#### **Monarch Butterfly: Mon, Jun. 30 at 11a (Register by Jun. 27)**

We'll look at the biology of the monarch, its impressive migration, current threats to the population, and how to create monarch habitat in your own backyard. We'll finish with a short walk through a field area to look for milkweed plants and monarch larvae.

#### **Life in a Log: Mon, Jul. 28 at 11a** **(Register by Jul. 25)**

The presentation will examine the fascinating variety of critters that call a fallen log "home." We'll then take a hike through the woods to roll over logs and look for these animals in action.

#### **Sunflowers & Goldenrods:** **Mon, Aug. 25 at 11a (Register by Aug. 22)**

This will be a closer look at two groups of beautiful late summer and fall wildflowers. The program will conclude with a short hike through a field habitat to look for these plants in bloom.
